### Things to do in San Francisco - Part 35 - Ferry Building Marketplace

Take a walk from Fisherman's Warf along the pier. Listen to the crashing waves of San Francisco Bay until you reach the very interesting Ferry Building Marketplace.

**Yahoo Travel** says this about the Ferry Building Marketplace:

Ferry Building Marketplace is a must-see for San Francisco visitors. This multi-million dollar development has an abundance of activities for the entire family. Take a tour of the historical Ferry Building, browse through antique shops (Culinaire), enjoy a view by the

bay and a bowl of chowder at Ferry Plaza Seafood, or buy organic produce at the Farmer's Market. Enjoy the sights and sounds of what makes the Ferry Building one of the Bay's most popular destinations for entertainment, food, and fun. Ferry Building Marketplace has a near year-round schedule of interesting activities like their annual October Harvest Festival and a Holiday Lights Celebration. Visit the website for full details on their calendar of events.
