Things to do in San Francisco - Part 7- Mission Dolores

Yahoo Travel says, "The northernmost of the California missions founded by Father Junipero Serra, this mission is the oldest structure in San Francisco, dating from 1788. Walk inside and it is like Spanish-colonial San Francisco beneath roof beams held together with rawhide strips. The graveyard includes the remains of both noble colonial families and the Native Americans who were conscripted to build and then serve the Mission. The museum houses artifacts and manuscripts."
