### Things to do in San Francisco - Part 26 - Wyland Galleries

**Yahoo Travel** says this about **Wyland Galleries**:

Named after the artist whose career is now bigger than the whales (he) paints, the gallery features aquatic imagery for ocean lovers who like to sit and rest their drink on an artful

glass coffee table supported by dolphins. From life-sized bronze sculptures of a manatee to piercing blue ocean water painted in watercolors and oils, this gallery also displays original paintings, sculptures, and prints created by other artisans. Those on a tight budget however, may just want to take home Wyland's coffee table book, which features more than 50 of his aquatic murals.
